

What Makes a Kidlutions Seal of Approval special?

The Kidlutions™ Solutions for Kids (SFK) Seal of Approval is the first of its kind in the award industry for children's products. Our award is unique in that it specifically recognizes products and services that provide *real solutions* to the problems that kids, parents and educators have. Our winning products are always great inventions, but they are so much more! They *change* lives! All products are *reviewed by a licensed mental health professional* who has expertise with kids from infancy through the teen years and consults to schools, as well as by our parent panel with kids in the age-range that your product targets.

IMPORTANT:

- Please enclose all batteries, light bulbs, etc., needed to test your product(s).
- Your product must be submitted to three of our reviewers. Please contact us at compcounseling@sbcglobal.net in order to obtain reviewer contact information/addresses. Put SFK Submission in subject line of email.
- To the above email, also attach a JPEG file photo of your submission(s).
- Send a copy of this form, along with the product submission to EACH of the three evaluators.

Category

Select a category:

- Prenatal/Pregnancy Toddler
- Birthing Product Early Elementary
- Newborn Late Elementary
- Infant 'Tweens Teens
- Parents Educators

Note: Submissions will **not** be returned. Kidlutions is not responsible for submissions lost in transit. We will notify you by email, when your item(s) arrive. Submissions are accepted on an ongoing basis. Once your submission is received, it will be reviewed within approximately eight weeks. There is no fee to enter your product, however, if your product is granted an award (not all products win), there is a fee of \$150.00 to utilize our award seal on your website, advertising campaigns and company communications. This fee will also cover promotion of your product through the Kidlutions family of websites, social media and other endeavors.
